ANTONY DOMINIC, J

W.P.(C).34880/2007

Dated this the 26th day of November, 2007

JUDGMENT

The prayer made in this writ petition is to direct the second respondent to conduct measurement and demarcation of boundaries as sought for in Exts.P3 and P4. Ext.P3 is the communication of second respondent from the Assistant Executive Engineer of Cochin Corporation and Ext.P4 is an application made by the petitioner herself. Since these documents unambiguously indicate that applications have been received by the respondents, I see no justification in the continued delay in taking further action on these applications.

2. Accordingly I dispose of this writ petition directing that the second respondent shall take further action on Exts.P3 and P4 as expeditiously as possible and shall complete the survey applied for by the petitioner within six weeks on production of a copy of this judgment.

ANTONY DOMINIC
